How Will The Cleanup Day Work?

- Residents should begin preparing the items they wish to have collected as soon as possible.
- Residents must place all items they wish to have collected at the curb in **FRONT** of their homes no earlier than 5pm on Friday, April 15, 2011 and no later than 7:00am on Saturday, April 16, 2011. Items **Will Not** be collected from rear yards or alley ways.
- All **Yard Waste** must be in **clear plastic bags** or tied bundles no longer than 4 feet. The Town has clear plastic bags available at Town Hall. Please stop by the Town Hall to pick up these bags if you need them.
- At 7:00am volunteers will begin collecting the items that have been placed out for collection. The volunteers and vehicles will make only **One Pass** down a street. Once the volunteers have completed a particular street they **WILL NOT** return and **any resident who placed items out for collection late to be collected, will be responsible for having the items removed.**
